## Monogramming

At **CML** we use different techniques like tackle twill, 3-D embroidery, carved fills plus many specialty digitizing tools to achieve first class embroidery.

With an assortment of threads colors, Madeira brand is our choice, 100% Polyester to ensure long lasting colors even after commercial laundry.

## Screen Printing

Our Screen printing department has 2 automatic machines to give you the fast turnaround for Your project. We will meet Your deadline. We also have a manual press to do your small runs & production tests.

Here at **CML**, we have the experience to handle complicated jobs. Come by and visit our facility and see us in action!!!

## Laser Engraving

Let your imagination flourish with our state-of-the-art laser engraving & laser marking system.

Our engraving is powered by a graphic design software enabling it to engrave any solid logo or design on anodized aluminum, stainless steel, glass, wood, plastic, lather, denim-almost any surface.

## Promotional Products

**CML provides many choices to our customers from a simple pen or mug to key chains and special equipment such as phones and Tv's. We can help you find the perfect and most economical product to fit your next event, award presentation, brand promotion or a new product kick off.**
